Curriculum Details

Curriculum type : Local

Curriculum planning

Curriculum is determined with reference to theories and studies of children's development, needs of children in physical and psychological development and learning interests. Attention is paid to balanced development and uniqueness of children.

We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.

Learning / Teaching approach & activities

Topic studies and thematic approach are adopted emphasizing life experiences of children and training them to be good citizens. News sharing is provided every day. Site visits, visits from experts, field trips and parent-child activities are arranged to support learning. We emphasize creative artistic development of children. Besides cultural and art activities arranged every afternoon, creative drawing paintings of children, creative drama performance and joint school children's choir are organized annually.

Assessment of children's learning experiences

Through routine ongoing observation and assessment, children's development in physical fitness, perception, language, social skills, emotion and art is known.

School Characteristics

School vision and mission

Childhood is the unique and precious stage in one's life. We emphasize the provision of a safe, healthy, rich and interactive quality learning environment t for promotion of balanced development in intellectual, physical, linguistic, emotional, social, and creative aspects. Children are stimulated to learn with zeal and helped to attain balanced development physically and psychologically as good preparation for primary education. education. Through various art and cultural activities, the sense and hobbies for art is fostered. We also offer assistance to working parents with education and child care services so they go to work worry free

Support to students

New students adaptation programmes, primary one adaptation programmes, parent-child library, parent-child reading programme and activities held in cooperation with community organizations.

Support to non-Chinese speaking (NCS) students

Received Grant for Support to NCS Students; create an enriched language environment for mastery of the Chinese language; create an inclusive learning environment to facilitate students' integration.

Support to students with special needs

Joining the On-site Pre-school Rehabilitation Services. Integrated Program for mentally and physically challenged children

Link with parents

Parent-teacher association : Yes

Other activities / communication with parents

Through the 'journal on child learning and activities', parents understand their children's key learning and life experience on that particular day. Parents day, parents meetings, parents-teachers committee meetings, class observation week, parent-child sports day, parent-child hiking, parent volunteering and collaboration activities and alumni activities are held regularly.
