Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>Our curriculum is structured according to children's developmental ability and uses Biblical Foundation For Early Childhood Education as a teaching blueprint. Our courses are compiled according the biblical stands, which are practised in life and learned for knowledge. We foster the children's whole person development.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>We organize balanced activities: group studies, free choice activities, music, physical fitness, interest activities; We provide enriched learning environment for kids to learn from play and to enhance their physical and mental development; We organize different kinds of extra-curricular activities, such as birthday parties, outdoor visits, sports day and parent-child school outings, regularly or according to teaching needs.</p>	
Assessment of children's learning experiences	
<p>To evaluate the learning effectiveness of students through continuous observation of learning scales, anecdotal records and analysis of works.</p>	

School Characteristics	
School vision and mission	
<p>Our school is a non-profit full-time nursery school. In the spirit of Christ's love, we use spiritual education to link up the education of ethics, intellect, physique, social skills, aesthetics and affection. We foster students' positive values and life philosophy for self and others. Using Christian education as our teaching guide, we nurture children to become future pillars of the society, who love God and people.</p>	
Support to students	
<p>New student adaptation period for new students to get used to school life gradually. Primary one adaptation activities for graduating students, which includes primary school visits and primary school classroom simulations.</p>	
Support to non-Chinese speaking (NCS) students	
<p>Arrange interpretation / translation services; engage NCS parent volunteers to enhance communication between school and parents; create an inclusive learning environment to facilitate students' integration; participate in school-based professional support programmes organised by EDB.</p>	
Support to students with special needs	
<p>Joining the On-site Pre-school Rehabilitation Services.</p>
