We adapt the diverse approach with all activities that allow children to learn through games, helping them enhance their sensory play and critical thinking. We aim to help children master in learning, building knowledge, fostering good attitudes and skills, thereby maintaining the required discipline. We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum.
