Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>Our curriculum is developed on the basis of children's development stages, growth characteristics, life experiences, abilities and interests.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>We take project-based learning as a main approach, and provide inquiry questions considering children's interest and experience, to arouse children's motivation to learn. In addition, our professional teachers provide interactive corners by creating new and game environments, and children are encouraged to acquire basic knowledge and exploring skills during Doing and Playing.</p>	
Assessment of children's learning experiences	
<p>Children's portfolios are prepared according to their development stage – to record their development course through systematic observations and collection of their works.</p>
