Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>We arrange "Basic Learning Curriculum" according to children's development stages and characteristics, life experience, abilities and interests. The curriculum is designed with diversified contents to promote children's moral, intellectual, physical, social, aesthetic and spiritual development.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>Project-based Learning with the concept of play as our main learning approach, we come up with topics according to children's interests and experience so as to make them more willing to learn. Our professional teachers are good at using creative games and interactive study corners to encourage children input to free play, have the spirit of autonomous exploration, adventure, cooperation, reflection and unlimited creativity.</p>	
Assessment of children's learning experiences	
<p>We based on systematic observation and by collecting their works, set up a Children's Development Portfolio to record children's growth. Through photos, observation, analysis and comprehensive reports, we are able to record children's academic results and their progress made in cognition, physical ability, emotion & sociability, sense of beauty and culture.</p>
