Curriculum Details	
Curriculum type : Local	
Curriculum planning	
Full-day and half-day pre-primary education to children in the age group of 2-6. The curriculum is based on the development objectives specified in the Operation Manual for Pre-primary Institutions compiled by the Education Bureau and the Social Welfare Department.	
We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.	
Learning / Teaching approach & activities	
Through the arrangement of appropriate activities, including story-based approach, whole-language approach and group learning, children are fostered to love learning.	
Assessment of children's learning experiences	
A child's learning performance is observed and recorded on an ongoing basis. An integrated report on development is distributed in the first and second semesters.	

School Characteristics	
School vision and mission	
Professional teachers are employed to guide children to attain balanced development in intellectual, physical, social, emotional, language and art aspects.	
Support to students	
Parents may apply to the Student Finance Office for school fees subsidies. Occasional and extended caring services are available. Integrated Programmes are implemented for children with special needs.	
Support to non-Chinese speaking (NCS) students	
Received Grant for Support to NCS Students; appoint additional teaching staff / teaching assistants to support NCS students learning Chinese; arrange interpretation / translation services; engage NCS parent volunteers to enhance communication between school and parents; create an enriched language environment for mastery of the Chinese language; create an inclusive learning environment to facilitate students' integration; collaborate with non-governmental organisations (NGOs) to create an inclusive learning environment; facilitate professional development for teachers to develop effective strategies to help NCS students learn Chinese; participate in school-based professional support programmes organised by EDB.	
Support to students with special needs	
Joining the On-site Pre-school Rehabilitation Services.	
Link with parents	
Parent-teacher association : Yes	
Other activities / communication with parents	
A parents-teachers committee is formed. Parents meetings are held regularly. Parent-child activities are organized. Class observation and seminars for parents and parent-child workshops are organized every school year. A newsletter from the parents-teachers committee is also published on regular basis. Photos of school activities are posted on school webpages and Internet of the school. A profile on learning is kept for each student.
