Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>We systematically adopt different methods to observe students' physical and mental development, in order to learn about the students' development and interests. We use this as reference and basis for our curriculum development.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>We adopt the Thematic Activity Approach, project studies, site visits, science experiments, group activities, game learning and community outreach activities.</p>	
Assessment of children's learning experiences	
<p>We record and show students' creative performances. We collect and report students' development of various capabilities and interests so as to know clearly students' potential and character and to help them grow happily.</p>
