### Curriculum Details

Curriculum type : Local

#### Curriculum planning

Curriculum will be planned in regard to the interest, physical and psychological development of children. The principle of 'child-oriented' is adopted and various learning domains, including Language, Self and Society, Early Mathematics and Science, Physical Fitness and Health, Art are integrated. Religious and moral education, language education and the development of creative thinking are emphasized.

We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.

#### Learning / Teaching approach & activities

Individual, group and interactive team activities are organized. Integrated Curriculum and Whole Language Learning Approach are adopted. Shared Reading Approach and Phonemic Awareness are also adopted which has strengthened the children's English ability, including listening, speaking, reading and writing. In addition, the implementation of Project Learning Approach and Situational Learning has nurtured the spontaneous learning and problem solving skills of children.

#### Assessment of children's learning experiences

Continuous assessment throughout the school year is adopted. In reference to the age appropriateness of children, the learning progress of each child will be kept in the 'Children Physical and Psychological Development and Learning Record' and 'Individual Learning Portfolio'.

### School Characteristics
