Curriculum Details	
Curriculum type : Local	
Curriculum planning	
Our integrated, child-centered curriculum helps children develop selflearning ability and good learning attitudes and character.	
We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.	
Learning / Teaching approach & activities	
1. Project Approach – To stimulate children to explore voluntarily and build up knowledge through the process of observation, discussion and exploration; 2. Montessori Method – To train mathematical and logical thinking, and develop reading and writing skills and self-care ability; 3. Fun With English – To arouse children's interest in learning English, and articulate listening and pronunciation skills; 4. Life education – To manifest the love of Jesus Christ, foster good character and values. At the same time, children are taught according to abilities, special needs and development of children are also catered for.	
Assessment of children's learning experiences	
Continuous assessments; a profile on a child's learning is kept	

School Characteristics	
School vision and mission	
Objectives: To provide quality holistic education and child care services so as to lay good foundation for children; to provide opportunities for creative expression so children release their potentials; to emphasize home-school collaboration. Partnership is formed with families for attainment of good teaching and learning outcomes; to promote child education strategies and methods	
Support to students	
The school has "Student Support Teacher" and "School Social Workers" to provide counselling for children and families in need.	
Support to non-Chinese speaking (NCS) students	
No information	
Support to students with special needs	
Joining the On-site Pre-school Rehabilitation Services. The school offers "Integrated Services" and "On-site Pre-school Rehabilitation Services" for children with special needs. Through the inter-professional collaboration model (which includes special child care workers, speech therapists, physical therapists, occupational therapists, psychologists and social workers), we provide professional and appropriate training for children with special needs as well as supporting parents.	
Link with parents	
Parent-teacher association : Yes	
Other activities / communication with parents	
A parent-teacher association is set up to allow the parents to participate school activities and do voluntary work, so as to promote home-school cooperation. Moreover, the Salvation Army Pre-School Education Services Joint Parent Association is organized to strengthen contacts between parents and teachers of various schools, assist joint school activities, provide parent education and jointly discuss pre-school education in order to deepen home-school cooperation.
