Curriculum Details	
Curriculum type : Local	
Curriculum planning	
It is formulated according to physical and psychological development of students in line with their learning interest.	
We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.	
Learning / Teaching approach & activities	
Theme and project-based teachings are adopted for students to learn through games and personal experiences. Visits, group activities and explorations are arranged to help them develop the abilities of thinking, problem-solving and communication.	
Assessment of children's learning experiences	
Based on ongoing observations and conclusive assessment., learning portfolios are prepared for students.	

School Characteristics	
School vision and mission	
Based on the teachings of the Bible and Jesus Christ, we offer quality holistic education and caring services. We help children attain balanced development in spiritual, moral, intellectual, physical, communal and artistic aspects, and develop accurate values and life-long learning abilities.
