Curriculum Details	
Curriculum type : Local and Non-local	
Curriculum planning	
The play-based curriculum is designed around themes that focus on developing students' thinking, creative and social-emotional skills.	
Learning / Teaching approach & activities	
Our teachers work with students in whole group circle times, small group learning and personalized learning times. Through our themes, an array of science learning takes place. We aim to develop students' communication and thinking skills by using ideas such as talk partners and high order questioning.	
Assessment of children's learning experiences	
Formative assessment: through a portfolio that contains observation records, checklists, photographic evidence and students' work.	

School Characteristics	
School vision and mission	
To develop the skills in students so they love to learn, and can think creatively while being caring, helpful citizens.
