Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>According to EDB "Kindergarten Education Curriculum Guide", we adopt "child centredness" as our core value. Providing real-life learning themes with the six learning areas: language, early mathematics, nature and life, arts and creativity, physical and health, self and society to provide children with integrated and comprehensive learning experiences which are conducive to their learning.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>We adopt the thematic activity and Story Telling for teaching. Our classroom learning pattern is focus on small groups learning and participation. In our lessons, we use different variety and interesting real objects, teaching materials and teaching aids. We also arrange the field trips which are related to the themes for children to participate and learn. So, they can learn from playing in different ways. For Arts, Music and Physical Fitness lessons, they are integrated and carried out in the form of games. We provide the autonomous learning.</p>	
Assessment of children's learning experiences	
<p>Through observation, logging and analysis, we provide, records of formative assessment and summative assessment etc. and arrange the Parents' Day with children's learning portfolio and report to the parents about their children's learning performance and development progress.</p>	

School Characteristics	
School vision and mission	
<p>We focus on child-oriented. We respect each child is different and respect their value individually. We provide the opportunity to enhance their creative, thinking and problem solving skill, so that they can achieve the comprehensive and balanced development. Our mission: Our children are able to be independent and disciplined; appreciative of all, have positive thinking, have appreciation for others and one's self, be open-minded and creative and love one another.</p>	
Support to students	
<p>We emphasize and respect the value of family education. We promote family education through our professional team (social workers and clinical psychologists), so the children can grow in a warm harmonious family with joy and happiness.</p>	
Support to non-Chinese speaking (NCS) students	
<p>Received Grant for Support to NCS Students; appoint additional teaching staff / teaching assistants to support NCS students learning Chinese; engage NCS parent volunteers to enhance communication between school and parents; create an inclusive learning environment to facilitate students' integration.</p>
