Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>Child-oriented, practical and integrated curriculum for the cultivation of autonomous learning, and the establishment of a good learning attitude and character.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>1. Project learning – to spark proactive exploration in children and construct knowledge through the process of discussion and implementation; 2. Montessori Method – to train mathematical and logical thinking, establish literacy and self-care skills; 3. Easy Preschool English alphabet - focus on sparking interest in learning English, to develop listening skills and mastering phonics; 4. Shared-Reading – Through Shared reading, children's bilingual learning in context's ability can be stimulated. At the same time, reading experience can be provided to young learners and to develop interest in reading at early age. 5. Life Education – to demonstrate the love of Christ and cultivate sound character and values in young children. At the same time, we customise learning to the individual and development needs of children.</p>	
Assessment of children's learning experiences	
<p>Continuous observation and assessment system has been established to provide children developmental assessments in various areas and promote holistic development in children mind and body.</p>	

School Characteristics	
School vision and mission	
<p>We value every child as a precious gift from God, and aim to provide quality preschool education based on the principle of Educare With Christian Love. Objectives: 1. To provide children quality holistic education and care, laying a good foundation for their future growth. 2. Provide opportunities for children to express creativity and spark their potential. 3. Value home-school cooperation and regard both parties as equal partners in achieving desired learning effectiveness. 4. Promote policies and best practices in childcare.</p>	
Support to students	
<p>The school provides "Student Support Teacher" and "School Social Workers" to support children and parents in need, such as counselling and referral service.</p>	
Support to non-Chinese speaking (NCS) students	
<p>Received Grant for Support to NCS Students; create an enriched language environment for mastery of the Chinese language.</p>	
Support to students with special needs	
<p>Joining the On-site Pre-school Rehabilitation Services. The school offers "On-site Pre-school Rehabilitation Services" for children with special needs. Through the inter-professional collaboration model (which includes special child care workers, speech therapists, physical therapists, occupational therapists, psychologists and social workers), we provide professional and appropriate training for children with special needs as well as supporting parents.</p>	
Link with parents	
<p>Parent-teacher association : Yes</p>	
Other activities / communication with parents	
<p>We pay attention to home-school cooperation by providing parenting education, encouraging parents to participate in various activities such as parents' assembly, picnics, visits and parent volunteers, provide school social worker service.</p>
