Curriculum Details	
Curriculum type : Non-local	
Curriculum planning	
We focus on exploratory education, Story Approach to Integrated Learning (SAIL) and creative activities teaching.	
Learning / Teaching approach & activities	
We provide bilingual environment with English and Mandarin teaching. We have thematic integrated activities and project approach to teach and consolidate knowledge through collaborative learning. With outdoor activities and visits, we broaden horizons of learning.	
Assessment of children's learning experiences	
We have continuous observation (unit assessment, summative assessment and learning portfolios) to record learning effectiveness of children.	

School Characteristics	
School vision and mission	
Our kindergarten aims to train a child in the way he should go and shall not depart from his path all his life. Our mission is to equip children to face the world and lay an all-round education foundation for them.	
Support to students	
We arrange an orientation week for newly enrolled students, and provide learning and parenting tips through parent forums. Separately, we organize Primary One simulation activities for senior students, and assistance to those with individual differences.	
Support to non-Chinese speaking (NCS) students	
Arrange interpretation / translation services; create an enriched language environment for mastery of the Chinese language; create an inclusive learning environment to facilitate students' integration.	
Support to students with special needs	
Joining the On-site Pre-school Rehabilitation Services.	
Link with parents	
Parent-teacher association : No	
Other activities / communication with parents	
We contact with parents through various channels: student handbooks, school newsletters, parents' assembly, and personal consultations etc. From time to time, we organize large events such as school open day, Lunar New Year garden fair, family sports day, parent appreciation day and family picnics.
