<p>Grace Garden hosts events such as School Field Trip, Curriculum Night, School Fair... etc to give parents opportunities to communicate with teachers and to know more about us. There is Parent's Day every term throughout the year to allow parents to have individual time to meet with their teachers and discuss about their children. Learning Journeys of every child is updated monthly and will be sent home every month to allow parents to know more about their children's development at school. Besides that, photos are updated weekly onto Flickr to allow parents to see what their children are doing at school. One of our main focus is to maintain positive relationships with parents and therefore we often plan activities at school that involve parents, such as Parent's Observation Week. During this week, we invite parents to come to their children's class to lead or assist in an activity to give opportunities for parents to understand more about how their children are like in class.</p>
