Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>Based on child development theories and researches, we determine the curriculum according to children's physical and mental development needs and learning interests; and pay attention to children's all-round and balanced development and uniqueness.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>Our curricula feature theme-based teaching and project-based learning, and focus on children's life experience and physical quality. We provide a variety of Chinese and English reading and play activities, so that children can learn Chinese and English in a meaningful language context. Apart from teaching activities, we also arrange visits, expert interviews, field trips, parent-child activities, etc, and Montessori workshop experience to support children's comprehensive development. We emphasize on children's development in creative arts. In addition, we also hold children's creative art exhibitions, creative drama performances and inter-school children's chorus every year.</p>	
Assessment of children's learning experiences	
<p>Daily on-going observation and assessment are made to keep track of children's development in language, intelligence, physical ability, sociability, emotion and art.</p>
