Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>We set the featured curriculum with life education as axis and according to "The Guide to the Pre-primary Curriculum" published by the Education Bureau aiming to achieve an integrated and comprehensive development of children's physical, cognitive and language, moral, affective and social, and aesthetic area. We arrange native English teachers and Mandarin teachers to create a vivid language learning environment for the children.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>With the child-centered principle, teachers apply diverse pedagogies integrating with culture, art, technology as well as the social resources, so that the children are inspired into a spirit of exploration and creativity.</p>	
Assessment of children's learning experiences	
<p>We conduct ongoing learning assessment for children through theme-based learning assessment form, children observation record, analysis of children's works and report on physical and psychological development of children.</p>
