Curriculum Details	
Curriculum type : Non-local	
Curriculum planning	
The school offers two bilingual streams: - Italian / English, supplemented by Chinese and Chinese culture - Chinese / English, supplemented by Italian and Italian culture.	
Learning / Teaching approach & activities	
The school: - Values the wide variety of different cultures and languages that are native to the students; - Promotes the development of children's literacy with the aid of different media used in the teaching process; - Encourages the acquisition of general and interdisciplinary study skills; - Encourages the ability of adapting as a means of change and innovation; - Promotes bilingualism;	
Assessment of children's learning experiences	
Putting an emphasis on children's physical and mental development and life experiences, the school also evaluates the children's academic performances and development in other aspects based on on-going observation, records and analysis. More specifically, teachers set up a "Student's Portfolio" to collect students' personal data, work and performance in various subjects.	

School Characteristics	
School vision and mission	
The educational philosophy of the Italian International Nursery & Kindergarten is based on the Reggio Children Approach. The idea behind the School is not only rooted in traditional Italian educational philosophy, but it is similarly projected towards the future, encouraging research, innovation, the neurosciences, and the continuous experimentation of new educational approaches.	
Support to students	
- Provides new students with an adjustment period and an orientation programme, organizing parent meetings for new students as well. - Respects the uniqueness of every child, focusing on children with special educational needs and providing them with appropriate support. - Provides high-grade children with effective support to prepare for P1 school life and holds P1 admission seminars for their parents.	
Support to non-Chinese speaking (NCS) students	
Engage NCS parent volunteers to enhance communication between school and parents; create an inclusive learning environment to facilitate students' integration; facilitate professional development for teachers to develop effective strategies to help NCS students learn Chinese.	
Support to students with special needs	
Joining the On-site Pre-school Rehabilitation Services.	
Link with parents	
Parent-teacher association : No	
Other activities / communication with parents	
Parent day, a parent classroom observation day, parent-child trips, workshops and seminars. Parents can contact the School through its website, its parent platform, through SMS, and the teachers' e-mails. The School also sends its families school newsletters.
