Curriculum Details

Curriculum type : Local

Curriculum planning

Our school curriculum is based on the "Kindergarten Education Curriculum Guide" and according to children develop needs, abilities and interests. We use thematic-based curriculum to integrate learning that incorporates religion and morality to develop the six learning domains.

We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.

Learning / Teaching approach & activities

Through multiple learning games and self-directed learning, children can nurture a positive attitude towards exploration, the skills of learning and construction of values.

Assessment of children's learning experiences

Assessment relies on accurate record on children, as well as objective and comprehensive analysis to facilitate children's learning and healthy development.

School Characteristics

School vision and mission

Our school is committed to the spirit of Christ's love and the provision of quality holistic education in order to develop a positive attitude towards children's exploration and the skills of learning and construction of values.

Support to students

K1 adaptation period, orientation for new students' parents Simulation class for K3 students to adapt primary school life Parent seminar, workshop Appoint additional teaching staff to support NCS students learning Chinese

Support to non-Chinese speaking (NCS) students

Received Grant for Support to NCS Students; appoint additional teaching staff / teaching assistants to support NCS students learning Chinese; arrange interpretation / translation services; engage NCS parent volunteers to enhance communication between school and parents; create an enriched language environment for mastery of the Chinese language; create an inclusive learning environment to facilitate students' integration; facilitate professional development for teachers to develop effective strategies to help NCS students learn Chinese.
