Curriculum Details	
Curriculum type : Non-local	
Curriculum planning	
<p>The School offers either the French National Education Preschool Curriculum for students to progress to the French International School, or an International Preschool Curriculum for students to progress to French International School in International stream or other international schools.</p>	
Learning / Teaching approach & activities	
<p>We are committed to a personalised and innovative teaching approach that allows each child to develop their potential at their own pace and to thrive in a caring and stimulating environment, conducive to learning. Our small class size (15 children max. per class) allows each child to receive the undivided personal care and attention that they need at this key stage of their overall development. We strongly believe that plurilingualism is a major asset for children. Language acquisition is done through immersion and is at the heart of our teaching programme.</p>	
Assessment of children's learning experiences	
<p>- Continuous assessment throughout the school year. - Learning progress report each term. - Individual meetings with parents to discuss their child's learning plan, growth and progress conducted twice a year.</p>	

School Characteristics	
School vision and mission	
<p>We believe in a caring school centered around the well-being of each child. Our goals and objectives are: - A family like atmosphere to make the transition from home life to school life smoother for the children - A small class size of 15 children maximum to provide the best individual care and attention while still providing sufficient interaction to develop interpersonal and social skills - A safe and stimulating environment where children feel comfortable and are encouraged to explore and learn at their own pace - An inspiring education delivered by experienced professionals</p>	
Support to students	
<p>- Small class size - Language immersion with extra support as necessary - Range of opportunities for children to explore, experience as well as develop their fine and gross motor skills - Orientation meeting for parents at the start of the school year</p>	
Support to non-Chinese speaking (NCS) students
