Curriculum type : Non-local	
Curriculum planning	
<p>At Anchors Academy Affiliated International Kindergarten, we aim to inspire our early learners with the confidence and skills needed for a strong foundation to begin their journey as enthusiastic, life-long learners. Through a carefully designed curriculum, we foster natural curiosity, creativity, as well as personal and social development. Our vision is to help students become global citizens, which is why we offer two trilingual streams with a choice of English and Mandarin or English and Cantonese classes. Both streams include a daily session of a third language. We place great emphasis on STEAM and Innovation, which are embedded in our Anchors curriculum. At Anchors Academy Affiliated International Kindergarten, we adopt the (EYFS) UK Early Years Foundation Stage Curriculum, with the methodology of "Learn to Play" and a thematic approach. We offer a fantastic teacher to student ratio of 1:8.</p>	
Learning / Teaching approach & activities	
<p>We run the following activities under our unique curriculum: - UK Early Years Foundation stage - Thematic Based Curriculum - Learn through Play methodology - Experiential Outdoor Learning - STEAM and Innovation Programme - Mindfulness Curriculum - Home Economics Curriculum - Artsits Inspired Art and Crafts Activities</p>	
Assessment of children's learning experiences	
<p>- In class ongoing assessments throughout the year. - Student portfolios - Student progress development reports per term</p>	

School Characteristics	
School vision and mission	
<p>We are committed to recognising the uniqueness of each individual learner and unleashing their full potential irrespective of their abilities. Our goal is to prepare our students for the future and instill in them a lifelong thirst for learning, so they will become responsible citizens who are ready to face the challenges of the future world. We aim to provide an inviting and caring environment where the value of each individual is respected and each student's potential is fully developed. We are innovative and have combined the best elements of both Eastern and Western educational ideals. We value cultural diversity and intentionally design our programmes to promote educational and social development.</p>
